Update on ISBE Funding

Lynda Shanks gave the board an update on funding from ISBE. Extraordinary funding totals were recently released. All KCSEC districts totals reflected an increase due to the 2008 funding formula. Personnel reimbursement will be increasing \$1000 per certified staff and \$700 per non certified staff, based on the

submitted 2006-2007 claims. Due to the Budget Implementation Bill still pending, districts should be cautioned on the proration possibility of these funding projections. Non Proportionate Share numbers were recently released from ISBE. This year KCSEC has \$19,264 that will be spent on services for students in home school settings and parentally placed private schools. At this time Excess funding has not been calculated.

Administrator's Breakfast

Two potential dates for the annual Administrator's Breakfast were cleared by all district superintendents. Lynda Shanks will contact Bennett Rodick and Laura Sinars for availability. The dates to hold for this event are October 31, 2007 from 8:30 a.m. – 11:00 a.m. and November 8, 2007 from 8:30 a.m. – 11:00 a.m. The location will be determined at a later time.
